

APPENDIX D-4
Beneficiary Eligible Mitigation Action Certification

BENEFICIARY ELIGIBLE MITIGATION ACTION CERTIFICATIONBeneficiary State of Montana

Lead Agency Authorized to Act on Behalf of the Beneficiary Montana Department of Environmental Quality
(Any authorized person with delegation of such authority to direct the Trustee delivered to the Trustee pursuant to a Delegation of Authority and Certificate of Incumbency)

Action Title:	Montana 2019-2020 Charge Your Ride - AMENDED
Beneficiary's Project ID:	VWT2020-02 AMENDED
Funding Request No.	<i>(sequential)</i> 2 AMENDED
Request Type: (select one or more)	☐ Reimbursement ☒ Advance ☒ Other (specify): <u>Amendments to previous advance request</u>
Payment to be made to: (select one or more)	☒ Beneficiary ☐ Other (specify): _____
Funding Request & Direction (Attachment A)	☒ Attached to this Certification ☐ To be Provided Separately

SUMMARY

Eligible Mitigation Action	☒ Appendix D-2 item (specify): <u>9. Light Duty Zero Emission Vehicle Supply Equipment</u>
Action Type	☐ Item 10 - DERA Option (5.2.12) (specify and attach DERA Proposal):
Explanation of how funding request fits into Beneficiary's Mitigation Plan (5.2.1): See attached Summary Supplement	
Detailed Description of Mitigation Action Item Including Community and Air Quality Benefits (5.2.2): See attached Summary Supplement	
Estimate of Anticipated NOx Reductions (5.2.3): See attached Summary Supplement	
Identification of Governmental Entity Responsible for Reviewing and Auditing Expenditures of Eligible Mitigation Action Funds to Ensure Compliance with Applicable Law (5.2.7.1): Montana Legislative Audit Division	
Describe how the Beneficiary will make documentation publicly available (5.2.7.2). See attached Summary Supplement	
Describe any cost share requirement to be placed on each NOx source proposed to be mitigated (5.2.8). See attached Summary Supplement	
Describe how the Beneficiary complied with subparagraph 4.2.8, related to notice to U.S. Government Agencies (5.2.9).	
On February 27, 2018 MTDEQ sent e-mail notices of availability of funds to representatives of the U.S. Department of Interior and U.S. Department of Agriculture listed in subparagraph 4.2.8	

If applicable, describe how the mitigation action will mitigate the impacts of NO_x emissions on communities that have historically borne a disproportionate share of the adverse impacts of such emissions (5.2.10).
See attached Summary Supplement

CERTIFICATIONS

By submitting this application, the Lead Agency makes the following certifications:

1. **This application is submitted on behalf of Beneficiary State of Montana, and the person executing this certification has authority to make this certification on behalf of the Lead Agency and Beneficiary, pursuant to the Certification for Beneficiary Status filed with the Court.**

2. **Beneficiary requests and directs that the Trustee make the payments described in this application and Attachment A to this Form.**

3. **This application contains all information and certifications required by Paragraph 5.2 of the Trust Agreement, and the Trustee may rely on this application, Attachment A, and related certifications in making disbursements of trust funds for the aforementioned Project ID.**

4. **Any vendors were or will be selected in accordance with a jurisdiction's public contracting law as applicable. (5.2.5)**

5. **Beneficiary will maintain and make publicly available all documentation submitted in**

support of this funding request and all records supporting all expenditures of eligible mitigation action funds subject to applicable laws governing the publication of confidential business information and personally identifiable information. (5.2.7.2)

SUMMARY Supplement Appendix D-4

Explanation of how funding request fits into Beneficiary's Mitigation Plan (5.2.1)

Montana's Beneficiary Mitigation Plan posted in November 2018 proposed to use 15% of Montana's initial allocation, or approximately \$1.89 million in funding necessary for, and directly connected to, the acquisition, installation, operation and maintenance of new light duty zero emission vehicle supply equipment as authorized under Eligible Mitigation Action 9.

Detailed Description of Mitigation Action Item Including Community and Air Quality Benefits (5.2.2)

Montana DEQ solicited applications from public and private entities across Montana to partially reimburse the acquisition, installation, operation and maintenance of new light duty zero emission vehicle supply equipment. Awards were made for ~~15-13~~ applications that will fund ~~30-27~~ individual charging stations – ~~four single-port Level 2 chargers at multi-housing developments, 22-19~~ publicly available dual-port Level 2 charging stations, ~~one-five~~ publicly available single-port Level 2 charging station, and three Level 3 DCFC charging stations.

Estimate of Anticipated NOx Reductions (5.2.3)

Montana DEQ estimated NOx emission reductions using the Alternative Fuel Life-Cycle Environmental and Economic Transportation (AFLEET) Tool provided by Argonne National Laboratories (<https://greet.es.anl.gov/afleet>). We calculated reductions for the three parking lot DCFC stations, ~~four multi-unit dwellings stations (four single-port stations), and 45-43~~ parking lot stations (~~22-19~~ dual-port and ~~one-five~~ single-port stations) using AFLEET assumptions with the exception of 50kW for the default session power for a DCFC charger and 60 minutes for default charge time. We estimate an annual reduction in NOx emissions of ~~155-2146.2~~ pounds.

Describe how the Beneficiary will make documentation publicly available (5.2.7.2)

MTDEQ maintains a webpage describing the Montana's Volkswagen Environmental Mitigation Program for State Beneficiaries. The Volkswagen Mitigation Trust webpage can be found at: ~~<https://deq.mt.gov/energy/Programs/fuels>~~<http://deq.mt.gov/Energy/transportation/VW-Settlement-Page>. Copies of the funding request certifications to the Trustee will be available through links on this web page.

Application materials, reimbursement requests, and other documentation submitted by applicants and funding recipients for Montana's Volkswagen Environmental Mitigation Program are available to the public either through the website, or upon request pursuant to Montana Code Annotated Title 2, chapter 6, part 10.

Describe any cost-share requirement to be placed on each NOx source proposed to be mitigated (5.2.8):

Applicants are required to provide:

- 10% match for charging stations installed at locations accessible and available to the general public located on Government Owned Property.
- 20% match for charging stations installed at places available to the general public on Non-Government Owned Property.
- 40% match for workplace and multi-unit dwelling charging station installations not available to the public.

If applicable, describe how the mitigation action will mitigate the impacts of NOx emissions on communities that have historically borne a disproportionate share of the adverse impacts of such emissions (5.2.10)

Of the ~~30~~27 total charging stations, ~~22~~3 will be located in the top 10 counties based on annual mobile sources of onroad NOX emissions (1. Yellowstone, 2. Gallatin, 3. Missoula, 9. Lewis & Clark).

Two of the remaining stations will be located in Class 1 Areas for the prevention of significant degradation (Flathead Indian Reservation and Yellowstone National Park).

ATTACHMENT B

PROJECT MANAGEMENT PLAN INCLUDING DETAILED BUDGET AND IMPLEMENTATION AND EXPENDITURES TIMELINE (5.2.4)

This funding request will provide advance funds to the Montana Department of Environmental Quality (MTDEQ) for the installation of electric vehicle charging stations under the Montana Charge Your Ride Program. The actions covered by this funding request are consistent with Eligible Mitigation Action 9 (Light Duty Zero Emission Vehicle Supply Equipment) of the State Trust Agreement and with Montana's Beneficiary Mitigation Plan (page 8), which allocated 15 percent of Montana's Volkswagen EMT funding.

ELECTRIC VEHICLE CHARGING STATIONS TO BE FUNDED THROUGH THIS REQUEST

Thirty electric vehicle charging stations will be funded through this request. Successful applicants include:

- City of Billings – ~~3-4 single-port Level 2 stations, 1~~ dual-port Level 2 stations
- City of Helena – ~~3-2~~ dual-port Level 2 stations
- GBP Enterprises, LLC – 1 dual-port Level 2 station
- Gallatin Import Group – 1 single-port Level 2 station, 1 DCFC station
- Mountain View Meadows, LLC – 1 dual-port Level 2 station
- MTB Management, Inc. – 1 DCFC station, Polson
- MTB Management, Inc. – 1 DCFC station, Wye
- University of Montana – 5 dual-port Level 2 stations
- ~~Olive and Black Investors, LLC – 2 single-port Level 2 stations~~
- ~~WL HB One 11 Loft Owners, LLC – 2 single-port Level 2 stations~~
- Town of Virginia City – 1 dual-port Level 2 station
- City of Hamilton – 1 dual-port Level 2 station
- City of Billings Logan International Airport – 3 dual-port Level 2 stations
- Montana Department of Administration – 4 dual-port Level 2 stations

PROJECT SCHEDULE AND TIMELINE, MONTANA CHARGE YOUR RIDE PROGRAM

Project Milestone	Date
Montana DEQ posts information and application materials on agency website; e-mail notification to Volkswagen Mitigation stakeholders list	29 August, 2019
Deadline for submission of applications	4 October, 2019; 18 November, 2019; 13 January, 2020; March 16, 2020; 18 May, 2020

8. Net Beneficiary Funds Remaining in Trust, net of cumulative Beneficiary Funding Actions (line 7 minus line 5)	\$10,990,471 <u>11,028,163</u>	\$5,700,471 <u>9,596,927</u>	\$3,100,471 <u>4,214,629</u>

ATTACHMENT C**DETAILED PLAN FOR REPORTING ON ELIGIBLE MITIGATION ACTION IMPLEMENTATION
(5.2.11)**

The Montana Department of Environmental Quality (DEQ) will provide detailed reporting on this funding request under Eligible Mitigation Action 9 (Light Duty Zero Emission Vehicle Supply Equipment) in two ways: 1) timely updates to DEQ's Volkswagen Environmental Mitigation Program web page and 2) semi-annual reports to the Trustee as required by subparagraph 5.3 of the Environmental Mitigation Trust for State Beneficiaries.

DEQ Website

DEQ has a webpage dedicated to the Volkswagen Environmental Mitigation Program that includes projects and actions that are eligible for funding and the status of funding. The website is found at: <http://deq.mt.gov/Energy/transportation/VW-Settlement-Page>. Copies of funding request certifications

to the Trustee will be available through this web page. This page will link to current and past projects and categories funded through the Trust.

Application materials, reimbursement requests, and other documentation for Montana's Volkswagen Environmental Mitigation Program are available to the public either through the website, or upon request pursuant to Montana Code Annotated Title 2, chapter 6, part 10.

Semi-Annual Reports to the Trustee

As required by subparagraph 5.3 of the Environmental Mitigation Trust Agreement for State Beneficiaries, DEQ will submit a report to the Trustee within six months of the first disbursement and thereafter no later than January 30 and July 30 for preceding six-month periods. These reports will describe the progress implementing current and any other Eligible Mitigation Action ongoing during the reporting period. These reports will include a summary of all costs expended and a complete description of the status (including actual or projected termination date), development implementation, and any modification of the Eligible Mitigation Action. These semi-annual reports to the Trustee will be available for public access through links on the main Volkswagen Trust page on the DEQ website.

ATTACHMENT D

DETAILED COST ESTIMATES FROM SELECTED VENDORS FOR EACH PROPOSED EXPENDITURE EXCEEDING \$25,000 (5.2.6)

Agency	Equipment	Manufacturer	Model	Fuel	Expected Purchase Price (per station)
MTB Management, Inc	DCFC station	Enel X	Juice Pump	Electric	\$31,600 <u>\$34,725</u>
MTB Management, Inc	DCFC station	Enel X	Juice Pump	Electric	\$31,600 <u>\$34,725</u>
Gallatin Import Group	DCFC station	BTCPower	Slim 50kW DCFC	Electric	\$29,850

Each applicant for the 2019-2020 Montana Charge Your Ride Program was required to seek at least three price quotes for electric vehicle charging equipment and submit them with their application. Only the DCFC station awards to MTB Management and Gallatin Import Group exceeded \$25,000 for the equipment (does not include installation costs). The bids are attached below.
